## JERKY WORTH FIGHTING FOR

Sept 11, 2008

Kelly's Deer Processing of Big Rapids Michigan has been doing their part for the past three years. First they receive donations of Michigan's finest "Whitetail Deer meat" also known as VENISON. Next they receive donations of cash to help pay for processing, smoking and shipping of the venison jerky. Then when all is ready local veteran's posts, families supporting soldiers and even uniformed soldiers home on leave help to package the JERKY FOR THE TROOPS.

To date over 2,000 one half pound packages of jerky have been sent to our troops all over the world.

This deer season Kelly's Deer Processing is changing the rules to help families supporting soldiers even better. This year you won't have to wait till Christmas to send some of Michigan's finest to your soldier. Kelly's will have JERKY FOR THE TROOPS starting October 1<sup>st</sup> thru Jan 1<sup>st</sup>. The jerky will still be in one half pound packages and boxes for shipping will be on hand for you. Instead of waiting for donations to accumulate Kelly's will be making available the jerky at their cost. Anyone looking to ship the tasty snack to an APO or FPO address will receive the MILITARY DISCOUNT. Each half pound package of JERKY FOR THE TROOPS is \$5.50.

Kelly's have on hand over 20 types of salami, jerky and sausages but only one JERKY WORTH FIGHTING FOR.

KELLY'S  
DEER PROCESSING

Kelly's Deer Processing would like to thank The Sanctuary game ranch, SCI, Whitetails Unlimited, Little town jerky co, Kent butchers supply, Challenger game ranch, Big Rapids products, Camp Swampy, Gallo Painting, Northern Label, Hooks and Bullets, Bill Beach antlers and hundreds of loyal customers for their support.

In addition to the JERKY WORTH FIGHTING FOR Kelly's Deer Processing is also the largest supplier of venison for food pantries in the whole state of Michigan. Helping to provide a low cost, high quality meat for pantries, seniors and churches. Totaling over 120,000 pounds of venison since 1991.
